

Marland Boat Service Ltd.

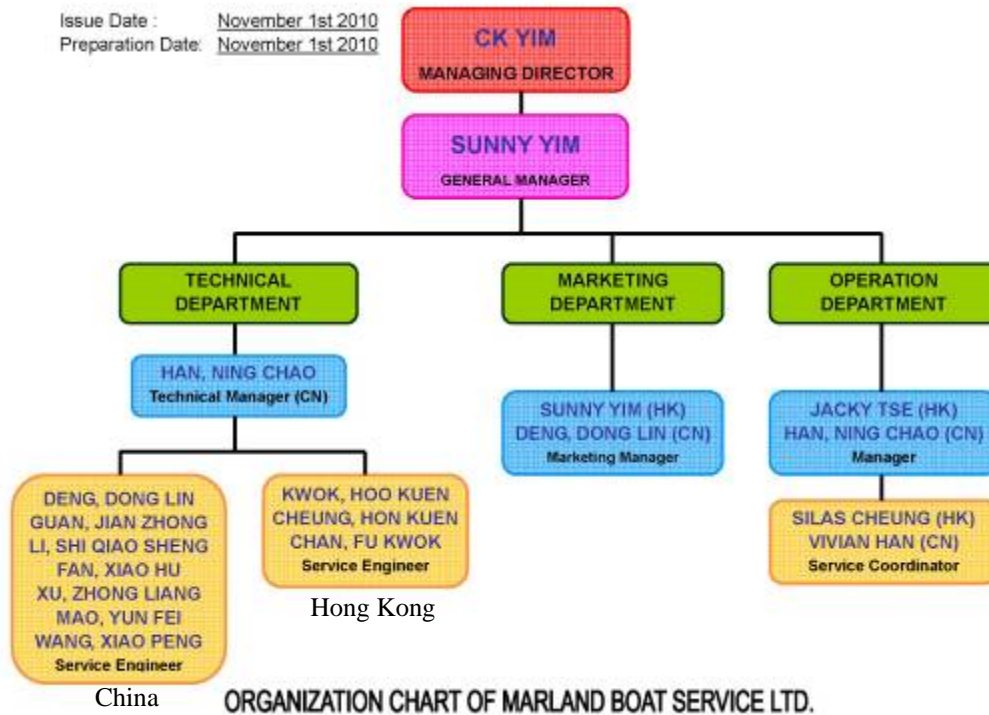

1.) Company Profile:

Since 2006 Marland Boat Service Ltd. (MBS) was found to provide the service to meet the IMO/SOLAS regulations (incl. MSC/Cir 1206) across all ports and shipyards in China with the Head Office in Hong Kong (Address: **Room 702 Fortress Tower, 250 King's Road, Northpoint, Hong Kong SAR, China.**) and a workshop in Huangpu, China (Address: **No.30 Dayuan Street, Xinhua Road, Huangpu District, Guangzhou City Guangdong Province, 510725, PR China.**)

This new lifeboat & launching appliance Service Company is a subsidiary of Marland Technical Services Ltd., a company found since 1988 as an internationally reputed name in the marine service field, which including lifeboat manufacturing under the name of Wuxi Hai Hong Boat Making Co., Ltd. and Hai Hong Boat Making Co., Ltd. which has now become Fassmer-Marland Ltd. after the joint venture with the German lifeboat manufacturing pioneer – Fr. Fassmer GmbH. Co. KG.

Service engineers of MBS were selected from our associated lifeboat factory and / or former superintendents and survyors. They were all trained by different lifeboat and launching appliance makers and authorized to issue certificate by our approved manufacturers. They are experienced with vast knowledge on FRP lifeboat construction and hook release system.

M.V. "GOLDEN DENA", IMO No. 9283655
Periodical Service of the Lifeboat and Launching Appliance

Thank you for your email dated 05.06.2007 regarding the captioned subject.

This Administration has no objection for the management company to appoint the proposed servicing company "Marland Boat Service Ltd" to carry out the annual thorough examination and servicing of lifeboats / launching appliances and on-load release gears, provided that it is a competent servicing company to carry out such inspection and services.

Please be advised that the ship shall maintain proper records and certificates of test and maintenance of lifeboats, their launching appliances and on load release gear, including the qualification of the personnel who has conducted the test and service.

Should you have any queries, please contact us.

Yours faithfully,

Cheng
